HAVE YOU ALWAYS WANTED TO WRITE A BOOK?

Congratulations, you're a writer, at least at heart. But when it comes to putting words on paper, do you need a dose of motivation, self-confidence, direction and guidance?

This course is designed for the aspiring writer. Maybe you've started a book, or have an idea for a book and need help with the entire process. This is the first part of a two-part course that will demystify the process for you. An exciting hands-on course for the creative novice, filled with expert advice, exercises and plenty of direct support and encouragement.

LEARNING step-by-step how to:

- Pick your genre
- Create an outline
- Write chapter summaries
- Organize chapters
- Set up writing schedule and goals
- Draft table of contents
- Create front, block and back matter
